Celebrating 37 years of Hoosier Hospitality!

“Something For Everyone”

One of Indiana's best kept secrets...Bearcreek Farms! Bearcreek Farms is celebrating 37 years of memories and looking forward to new and exciting events in 2012. The 200 acre farm first consisted of a

barn and few outbuildings. These rustic beginnings, along with a desire to provide a get away from our own daily routines, blossomed into the concept of Bearcreek Farms in 1975. The initial transformation began with the conversion of the barn to a food service facility and from there The Homestead was built. The seasons between then and now have

brought a myriad of changes for you our guests: including shopping, The Goodtimes Theatre, and Lodging. Now, the second generation of family members run the day to day operations and hope you will continue on our journey in making Bearcreek Farms a memorable “Escape To The Country”.
